Minutes:

- Review of the March meeting Minutes. Randy pointed out that there should be an addition to the item concerning the shells for the State Shoot. The addition should state that the Board did approve the ordering of, and payment for, the shells from C.A.C. Associates. Ricky will make the necessary correction and re-distribute the updated Minutes for the March meeting. Mike motioned to accept the Minutes with the correction; seconded by Warren. All parties were in favor.
- Review of the Treasurer's Report. After reviewing Steve motioned to accept the Treasurer's Report; seconded by Mike. All parties were in favor.
- Ricky reviewed the selected trophies for the State Shoot. There were no issues raised concerning the selected trophies. Having received Board approval, Ricky will start the process of ordering the trophies.
- Ricky also informed the meeting that he received an email from Mike Luongo stating that Nemaocolin was in the process of clearing trees to make room for RV parking. Mike also stated that he was busy preparing for the Hardy Classic Shoot, but was working on the State Shoot brochure. Additionally, Mike stated that he had received notice from C.A.C Associates that they would be sending the PSCA shells in their next shipment to Nemaocolin.
- Clyde was unable to attend the meeting, so there was no update on the guns for the State Shoot.
- Ricky informed the meeting that 30 cases of shells have been ordered from C.A.C. Associates Inc. and will be delivered in their next shipment to Nemaocolin.
- Ricky informed the meeting that he received an email from Bob Saunders stating that the registration and information for this year's Western Zone Shoot would be on Castlewood's website the first week in May.

- Mike stated that the trophies have been ordered and everything would be ready for this year's Eastern Zone Shoot
- Mike also stated that Rock Mountain had received the sponsorship check for the SCTP State Shoot.
- Ricky informed the meeting that prior to the deadline (April 16th) for submission of 2013 State and Zone Shoot applications, there has only been one (1) application to host the 2013 State Shoot (submitted by Buffer Creek) and one (1) application to host the 2013 Eastern Zone Shoot (submitted by Thunder Ridge). It was decided to extend the deadline for Western Zone Shoot applications by one (1) month. Ricky will send an email to the applicable clubs informing them of the extension, in the hope that one or more of these clubs will submit an application to host the 2013 Western Zone Shoot.
- Ricky proposed the idea of having the PSCA pay the additional \$0.01 NSCA target fee for shooters at this year's State Shoot. After some discussion it was decided to set aside this discussion until the August meeting. At that time the Board can review the budget to see if there are any surplus funds that could be given to Nemaquin to help offset the additional NSCA target fees. These funds would be in addition to any sponsorship monies awarded to Nemaquin for hosting the 2011 State Shoot.
- Next meeting was scheduled for 5:00 PM, Saturday, May 28th 2011 at Thunder Ridge Sporting Clays.
- Motion to adjourn by Mike; seconded by Randy. All parties were in favor.
- Meeting adjourned at 7:45 PM.
