Old Business:

- The issue of determining which clubs had paid their annual PSCA dues and which one had not was brought up once again... *Ricky* informed those present that several emails had been sent to *Jeff Lutz* for assistance in figuring out which clubs have paid their PSCA dues, however, to date, there has been no response from *Jeff*.
- As a last resort, *Andy* agreed to take the action item of calling each of the individual clubs to confirm if they have, or have not, paid their PSCA dues for the year.
- *Mark* informed those present, that due to the number of traps purchased by *Lawrence County* and not having to rent any traps in support of this year's *Western Zone*, the decision has been made to return money from all entry fees back to class. **\$35** of every entry fee to the *Main Event* will be returned to class. In addition, for all other events (*sub-gauges, 5-Stand, etc.*), **\$15** of each of those entry fees will also be returned to class.
- *Ricky* informed those present that he had received the flyer and registration for this year's *Eastern Zone Shoot* from *Thunder Ridge* and the documents were available on the PSCA website. *Ricky* also mentioned that he had also posted the information on the *ClaySportsOnline* website.

website. Additionally, Ricky mentioned that he had also posted that document on the *ClaySportsOnline* website.

- *Ricky* informed those present that a check had been sent to *Hi-Grade Shooters Supply* in payment for the two (2) Beretta A300's to be given away for the *PSCA T.I.P.* at this year's State Shoot.

New Business:

- *Ricky* informed those in attendance that while attending a recent shoot at *Thunder Ridge*, *Bill Appel* mentioned that he was still unable to get a commitment from *Chuck Frazier* to provide traps for the *2014 State Shoot*. *Bill* also stated that without the additional traps, *Thunder Ridge* would most likely be unable to host the *2014 State Shoot*. One suggestion was to look into other trap rental businesses as an option. *Ricky* will pass along the information to *Bill*.
- *Ricky* also informed those present that to date, there have been **NO** applications submitted by clubs to host either the *2015 PA Zone Shoots* or the *2015 PA State Shoot*.
- There was some discussion that given the diminishing turn-outs at past *Zone Shoots*, it may be time to eliminate the two (2) *PA Zone Shoots* and just have the annual *State Shoot*. A topic will be added to the agenda of the annual meeting to generate further discussion, as well as get shooter input on this idea.
