  - There were three (3) clubs that submitted applications to host the **2016 State Shoot, Buffer Creek, Castlewood** and **Stonycreek**. Representatives from each of the three (3) clubs were given time at the meeting to address the audience and promote their bid to host the **2016 State Shoot**. Ballots were available during this year's **State Shoot** and the votes will be tallied at the conclusion of this year's **State Shoot**. # 2014 PSCA Annual Meeting Minutes

## Saturday July 19<sup>th</sup>, 2014

- **Chuck Frazier** was present and also gave his ideas on improving future *State Shoots*, based on his experiences.
- **Roy Fritz** brought up the possibility of re-establishing the **\$0.01** for targets registered in *PA* and having the generated funds earmarked for *State Shoots*.
- There was also a question raised as to why the *State Shoot* HAD to be held on the third (3<sup>rd</sup>) weekend in July. **Ricky** informed everyone that although that is the normally scheduled weekend for the *State Shoot*, the date CAN be moved if so requested by the host club, and approved by the **PSCA Board**. **Ricky** pointed to the **2012 State Shoot** hosted by **Rock Mountain** as an example, whereby the normally scheduled date would have conflicted with the dates of the **2012 US Open**.
- Another issue discussed is shooters not being willing to pre-register for events at *State Shoots*. Using this year's *State Shoot* as an example, as of Thursday, there were a minimal number of shooters pre-registered for sub-gauges, pump, and SxS, so the prelim and sub-gauge course was laid-out with this in mind. As a result, when a number of shooters attempted to shoot the sub-gauges, pump, and SxS, as well as the prelim, on Friday, this resulted in back-ups at several stations around the course.
- **Shell Game Drawing**
  - There were **60** flats of 12 gauge ammunition to be given away to shooters based on their scores from the *Saturday* portion of the main event.
  - The *Shell Game* numbers drawn were **9, 4, and 3**.
- **Looney Lewis Drawing**
  - **Ricky** informed those present that he was going to draw the score for the **PSCA** sponsored "**Looney Lewis**", but realized it would be an error to draw the score before the shoot was over. As a result, **Ricky** asked if there were any objections or concerns of him drawing the score after the shoot was complete and posting the results online. There were no objections or concerns.
  - **Ricky** will draw the top "**Looney Lewis**" score from all the posted scores of the main event and post the results with payout online and on the **PSCA** website.
- **Thank you's**
  - **Ricky** thanked **Thunder Ridge** for hosting this year's *State Shoot*, **Tom & Jean** of *Shooters Solutions* for attending and donating shooting towels to all the shooters and **Kim Spohn** for donating the *State Shoot* tee-shirts.

### Adjourn

- Motion to adjourn was made by **Tom Eberly** and seconded by **Jeff Wolfe** with all parties present in favor.
- Meeting was adjourned at approximately **10:20 PM**.
