- Results from this year's PSCA election were emailed to *Board* members prior to the meeting.

New Business:

- There was no new business.

Schedule Next Meeting:

- There are no meetings currently planned for the rest of this year (2017). Meetings will resume in *January 2018*.

Miscellaneous Notes:

- Due to the complaints that *Friday* is not a good day for monthly meetings, this month's meeting was scheduled on a *Monday* to see if it would work better with peoples' schedules. However, with only *Ricky* and *Jeff* in attendance, there were NOT enough people present for a quorum, so no official business could be conducted.
- *Dominic Falini* is the last write-in candidate to be contacted from this year's election for the position of *PSCA Director-At-Large*, however there is no email address or other contact information available for him. As a last resort, *Ricky* will post something on the shotgun forums asking *Dominic* to get in contact to determine if he is interested in the position.
- With the upcoming hunting season and holidays in the upcoming last three months of the year, *Ricky* decided that there will be no planned meeting for the rest of the year and the monthly meetings will resume in *January* of next year (2018).
