Old Business:

State Shoot Planning:

Guns – Clyde placed the order for all of the guns.

Trophies – Scott informed the board that he has received all the trophies; they are all intact and correct.

Shells – Al Hughes was soliciting companies for the club shell order. Clyde will contact him to negotiate w/RIO, who is the sponsor name on the state shoot t-shirt. We will see if we can negotiate a better deal by combining the shell orders for the PSCA, Blue Ridge and shooters who are purchasing RIO ammunition at the same time.

Shooter Incentive Program – The guns have been ordered along with the 2 club guns. The certificate for free Shoot Entries has been finalized. The only remaining item is to receive the list of PA targets shot through 5/31/08 from Randall.

Shoot Update – Scott gave a progress update for the 2008 State Championship. The pre-registration confirmations will go out the last weekend of June. Included with them will be all the parking recommendations for

vehicles, trailers and RV's. The club's trophies have all been ordered. Scott mentioned that he needs to locate a 2nd certified referee for the FITASC event.

PA Zone Shoot Planning:

East – Mailers are out. As of the meeting, there were 12 or so pre-registered shooters. Jeff informed the board that Mike has been checking in with him regarding the operation of Winscore.

West – Mailers are out. Michael Mohr will be setting the targets and assisting with the operation of the shoot.

Future PSCA Shoot Update:

State Shoot – There has been no changes in the updates for the 2009 State Championship. D&G has been hired to provide traps and run the Make-A-Break. Roy is working on other details but nothing new was finalized as of the meeting.

SCTP: Jeff is picking up the trophies next week. Clyde will use the remaining budgeted money to purchase Gander Mountain gift cards for the participants.

Keystone State Games: Clyde hasn't spoken to Susan yet. The Keystone Games committee has sent out postcard mailers and emails.

Website: Jeff has cleaned up the admin site and will work on getting all the NSCA Team members listed.

New Business:

As of the meeting, there have been no requests to host any of the 2010 PSCA Shoots.
