

2011 Western Pa Zone Shoot Results

Most of the gunsmoke & bird dust has now cleared from the 2011 Western Pa Zone shoot hosted by Castlewood Rod & Gun Club near New Castle. I want congratulate all the winners and thank the 91 shooters that participated in the main event. I also want to thank the PSCA for the vote of confidence that we didn't need a PSCA representative to oversee the shoot. The shooters enjoyed 2 days of shooting and the added PSCA money that was distributed by Lewis class. Our next shoot will be July 10 just in time to warm up for this year's state shoot.

Special thanks to all the shooters, the Castlewood crew behind the scenes and the trappers that keep the shoots going. Please check out our web site @ castlewoodclays.com. As always **"Thanks for choosing Castlewood"**

Bob Saunders, Clays Mgr.
